**Old Business**

- Program t-shirts for Leprechaun Days – Deb Halterman indicated that Hensley Design needs to know the numbers of each size t-shirt we want to order this year. The decision was to order 150 t-shirts as follows: 70 Smalls; 55 Medium; 16 Large; and 8 XL and 1 XXL.
- Clothing Orders. The first clothing order has been placed with Hensley Design. Deb Halterman said that there were 6 to 7 players that overpaid by \$2 to \$3 for their orders, but there were also a few that underpaid. Deb asked if we should refund the amount overpaid. The decision was to not refund the amount since it was small and offset the underpaid orders. There was one order that was submitted late. Kevin Newman said he called the parent's of the player who submitted the late order and asked if they wanted the order returned or if we should keep it and submit it with the second order. The parent's of this player said to keep the order and submit it with the second order.
- Cash value cards – Mike Wettstein reported that based on the survey at the April parent/player meeting there appears to be enough interest in the cash value cards and he will proceed with ordering cards for the Girls' Soccer Program.

## New Business

- Sophomore uniforms – Coach Adams sent an email earlier in the week indicating that he noticed the sophomore uniforms are not in the best shape and they are the last set that would need to be replaced. Coach Adams requested discussion of 2 options by the Booster Club for replacement of the sophomore uniforms.

Option 1. Forgo the parkas this season and use the \$1,200 for the sophomore uniforms.

Option 2. A special approval made by the Booster club to allow an additional \$1,400 this season to purchase both parkas and uniforms.

The decision was to go with Option 2 and increase the clothing budget to purchase both the parkas and sophomore uniforms this year with the understanding that we need to make sure we do a good job of motivating the girls to participate in the fundraisers. The following questions were asked regarding the parkas and sophomore uniforms. Will we be able to get replacement items for the sophomore uniforms over the next few years if any are lost or ruined? Will the parkas include a number and be issued as part of the rest of the varsity uniforms and then be the responsibility of the players to keep track of and turn in at the end of the season. Or will they be kept in storage and used as needed? Will the parkas be full length or waist length? Kevin Newman said he would check with Coach Adams on these questions and provide follow-up at the next meeting.

- Car wash update and schedule for mailer – Kevin said that he received an email from Jane Duffy and they are moving along with planning the car wash. Kevin mentioned that at the last booster club meeting we discussed not including hot dogs and chips with the car wash this year. In the email from Jane, she mentioned that they did have a person checking on hotdogs, but haven't heard back from that person yet. The decision was that we did not see the need to give away hotdogs and chips as part of the carwash. The discussion was that \$5 was a pretty good deal for a carwash without pop, chips and a hot dog.
- Sponsors for Varsity Program - Kevin said that he has the sponsorship brochure and letter ready and will be sending out to business owners in June.
- Open positions for committees.  
Judy Neudecker said that she would be interested in helping with photos.

Meeting was adjourned at 8:00 p.m.
